Property Description

Pinnacle has finally unveiled its highly anticipated Crystal Two Condo Tower. The marvelous location has a lot to offer for potential investor or buyers. In the next 10 years we can expect up to 11 condo buildings to come. This is one of the better priced projects in Mississauga right now. Pinnacle Uptown's Crystal is located at the corner of Hurontario and Eglinton. Although the project is at a busy location, it will be surrounded by a sea of green. Spread over 36 acres of land, with close to 15 acres reserved for parklands, alongside residential and commercial developments. Pinnacle Uptown will be a community on its own, with pedestrian pathways, trees and flowering shrubs. This community has one purpose, the amplification of happiness. Best of both the worlds meets here, the hustle of living in the big city and the tranquility of a home where luxury and comfort come together. Crystal has over 28,000 square feet of indoor and outdoor space devoted to amenities.
