Property Description

A new vision of luxury condo living. A worthy complement and next phase of the award winning Port Credit Village community, North Shore will offer opulent waterfront living in a well-established village setting, where the amenities are all within easy walking distance. Rising 22 stories above Lakeshore Road, North Shore's dramatic architecture will make it Mississauga's finest waterfront landmark. Every feature of its design has been carefully planned with an eye to beauty, as well as practicality. Combining a pleasing palette of glass, concrete and brick, the exterior will be crowned by a distinctive rooftop treatment. Two contemporary lobbies will usher residents inside with style, and the array of building amenities range from exclusive recreation areas to ground-level shops and services.
